The Diploma of Sport Development is a full-time course which requires 16 hours per week of college attendance and 8 hours on the field. The course is delivered over a period of 30 weeks (excluding holidays). Additional home-based study will be required.

**ENTRY REQUIREMENTS**
The SIS50612 Diploma of Sport Development packaging rules have no entry requirements for this qualification. Australian Careers Business College (ACBC) requires students to have completed year 11 of the NSW Higher School Certificate or its equivalent.

**QUALIFICATION**
Graduates completing all components of the course and demonstrating competence in all units will be awarded a nationally recognised SIS50612 Diploma of Sport Development, which is currently in release 2. A nationally recognised Statement of Attainment will be issued where a student has withdrawn but has successfully completed part of the qualification or completes the course but does not demonstrate competency in all units.

**CAREER OPPORTUNITIES**
With suitable experience, graduates will be able to progress to positions including:
- Competition Manager
- Program Developer
- Talent Development Manager
- Sport Development Manager

**CREDIT TRANSFER (CT)**
ACBC recognises and grants credit transfer for nationally recognised units of competency issued by other RTOs. Full details of the application process can be acquired from the college’s student services.

**RECOGNITION OF PRIOR LEARNING (RPL)**
Recognition of prior learning acknowledges skills, knowledge and competencies obtained through:
- Formal training /study
- Work experience
- Life experience

Students are eligible to apply for RPL and an administration fee of $450 per unit of competency applies depending on the evidence supplied by students seeking RPL. Full details of the application process can be acquired from the college’s student administration.

**LANGUAGE LITERACY AND NUMERACY SKILLS (LLN)**
Students enrolling in this qualification will undertake an LLN test to determine the student’s ability to engage in the course.

**MODE OF DELIVERY**
This course is delivered face-to-face in a classroom based learning environment. This mode of delivery will combine theory-based material and practical tasks. The theory sessions are designed to explain the skills, knowledge and tasks that comprise the Diploma of Sport Development.
QUALIFICATION DELIVERY
The qualification is delivered as interactive classroom based learning that integrates both theory and practical tasks. The theory sessions are designed to explain the elements and criteria of each unit of competency.
Classroom delivery will be complemented by practical demonstrations and as required these will be held outdoors at sporting facilities in close proximity to ACBC premises. This mode of delivery will combine theory-based material and practical sessions involving small groups, individual and team activities and practical assessments.

ASSESSMENT
Assessment is conducted through a combination of practical and written assessments. This may include projects, role-plays, simulations, practical demonstrations, presentations and research and report preparation. Assessment may also include ‘integrated assessment’ whereby a number of units of competency are assessed together.

QUALITY OF TRAINING
ACBC is responsible for the quality of the training and assessment being provided in this course and for the issuance of any AQF certificate.

UNIVERSITY OPTIONS
Students wishing to pursue university after completing studies at ACBC can do so in conjunction with various universities and educational institutions.

LEARNING RESOURCES
All equipment and resources are provided for students enrolling into this qualification including textbooks, learner guides, student handouts and assessment instructions at no cost. A list of prescribed textbooks will be given to students. Students have access to college computer labs and the Internet.

FACILITIES
The qualification is partially held in a designated classroom for lectures, tutorials and group work. For any work requiring computers, students will be able to use college laptops. There are also computer labs which can be utilised, with every student allocated their own workstation. These computers can also be used to access the Internet.
Local sport facilities and grounds will be used for different practical skills sessions. Session times and timetables will be advised during student orientation.
