## ABOUT TRAINEESHIPS

Traineeships in NSW involve a contract between an employer, a Trainee and the NSW Government. Traineeships attract a range of subsidies and financial incentives from both state and commonwealth governments and they have been proven to be a sustainable and effective way to train people in the workplace.

A great benefit of signing up a Trainee and selecting ACBC as your training provider, is that your Trainees don't have to lose any time from your workplace. Our Trainer will visit your Trainee in the workplace and set tasks and assessments that are relevant to their job. They learn on the job with you and our Trainees support this with formal learning and assessment.

## INCENTIVES FOR EMPLOYERS

There are many benefits for you as an employer by adding a Trainee to your team. These may include:

- \$1500 from the Commonwealth government when you sign up a new entrant FULL TIME trainee
- \$2500 when your trainees completes their one-year Traineeship
- Further incentives are available for Trainees who progress to another higher level Traineeship
- Payroll tax rebates may be applicable to employers of Trainees
- Reduction in workers compensation premiums may be applicable to employers of Trainees
- Low and manageable wages for Trainees based on Award rates set especially for Trainees (see below)
